

Time is not a factor in your life

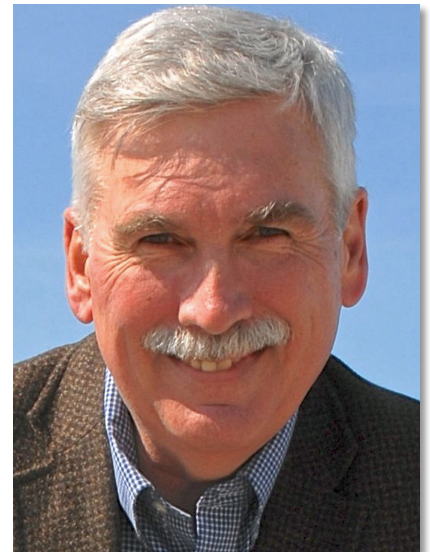

Mastering time is better than time management. Beyond learning to get more out of a limited 24-hour day, mastering time comes from realizing that time is powerless to limit life.

Exercise your God-given freedom from limiting concepts of time including age, aging, stress, inefficiency, frustration, past mistakes and missed opportunities.

*“...time is no part of eternity.
One ceases in proportion as the other is recognized.
Time is finite; eternity is forever infinite.”*
